Meet Audra Brown

1. I have been at BSL for almost 2 years.
2. I love that BSL thinks of activities to get the company together and building friendships among the staff and individuals.
3. When I'm not at work I love to travel and spend time with the people that I love.
4. If I won the lottery today I def would buy my own private island. Where we can go when we need to rest.
5. Lol idk if I'm allowed to say my political views so I choose to keep my opinion to myself.
