Did you see someone do something good this week?

~ **Send a I C U** ~

ICUs can make a person's day and make them feel seen. Catch someone doing something good.

Humility, Honesty, Patience, Compassion, Encouragement, Forgive Always,
Forgive Again.

BSLs VALUES

CHECK OUT THESE ICU ROCKSTARS!

Jeff is a teacher for the Marshall high school that works with children with IDD. He has shown encouragement with KD and made-up worksheets to help KD with his reading. He's also working on a picture book to help KD with recipes to cook more varieties of things. He's went above and beyond and his hard work and dedication is much appreciated.

I appreciate **Asaycia** and the work she did last week! Everyone at Glacier is getting sick (individuals included) and Asaycia was the only staff working this week who did not call out or ask to! She took all 3 of the girls to the zoo this weekend, and they had a great time! They did other fun things in STL as well. It is rare we can find something all 3 of them can do and have fun AND get along. But Asaycia had them out all day, by herself which can be a challenge. I appreciate you Asaycia and how you make the best of things!

Big shout-out to **Darriona** for helping out at Grace Lane without being asked. She noticed that leadership needed help with a medication pick-up and took great initiative.

Thank you for your compassion and willingness to always help out the team!

BSL VALUE

Encouragement

Encouragement – the act of providing support, confidence, or hope to someone, literally “giving courage” to build them up.

Question?

When you encourage someone who feels the better for it?

Them or you?

Encouragement – share it. It is not always visible that a person it in need of it.

Wishing all the mothers at Boone
Supported Living a wonderful
Mother's Day!
