MEET Charles Parrish

1. I have been at BSL for Nearly 7 Years.
2. We have a rich culture here at BSL. Is there a holiday that is special to you? While I'm personally non-religious, Christmas is by far my favorite holiday. Such warm memories throughout the years with family and friends. And you can't beat the music, movies, food, lights, traditions, and more.
3. What do you like to do when you are not working? As an introvert, this response surprises even me, but I do enjoy spending time with family and friends. Beyond that, isolation is also important to help me recharge. My time alone can include cycling on the Katy Trail, porch time with a cigar and whiskey, solo road trips, and more.
4. What do you like most about working at BSL? I absolutely love the mission that Julie set, which is "Providing Ordinary Lives For Extraordinary People". It provides clarity and motivation in what I do each day.
5. Is there a book that you would recommend to our BSL staff for summer reading? – As someone with dyslexia, reading is a chore. As a result, non-fiction is the only genre that can maintain my attention. Within that, the book that I'd recommend to anyone is "Seven Habits of Highly Effective People" (by Stephen Covey).
6. If you could have one superpower, what would it be 😊? – I'm a fan of Charles Xavier's power of telepathy. That would come in handy on the regular.
