ICU

To Christina, From Jan

It always amazes me how far our staff will go to help our individuals. Christina Nixon knew that HBG needed a new mattress, and she found a way to get this accomplished. This is a great example of treating someone like family!

To Dustin, From Chad

Dustin McCulley had heard me talking about how we needed to clean the apartment for next week and before I could even ask him, he took it upon himself to clean the kitchen, empty the fridge of condiments that had expired, cleaned windows, mopped the floor, and helped JC wash his bedding and vacuum his bedroom floor. I would like to recognize Dustin for taking initiative and going above and beyond his duties.

NEW – BEGINNING SEPTEMBER 1ST

REWARD & RECOGNITION PROGRAM

Send all ICUs to ICU@BooneSupportedLiving.com

ICU = I saw you do something good, great, exceptionally well.

1. Every ICU sent by a BSL employee to another BSL employee will result in a \$5 credit to Modern Thread. Every September, BSL will reconcile all ICUs and notify every active employee of their balance that can then be redeemed for BSL branded merchandise.
2. Additionally, if a manager sends an ICU to anyone who reports through them, that employee will receive a \$10 cash payment (via CashApp or Venmo or other means) within a few days (a maximum of one \$10 reward per month per employee). To be eligible for the cash benefit, the manager needs to include in their ICU the BSL value that best aligns with their observation (i.e. humility, honesty, patience, compassion, encouragement, and forgiveness).
