PEOPLE YOU SHOULD KNOW — MEET ALLY STANDIFORD

Name: Ally Standiford
How long have you worked at BSL? 1 Year 10 months
We have a rich culture here at BSL. Is there a holiday that is special to you? What makes it special? I really love the "My People's Food" events here. I have had so much fun tasting and learning the history and culture behind my coworker's delicious dishes. I also feel empowered to share food from my daughter's family's culture.
What do you like to do when you are not working? I like to take walks, do puzzles, make spicy food, and try new arts & crafts projects. I also really enjoy writing poetry.
What do you like most about working at BSL? My coworkers are approachable and kind. I can come to work everyday and be in a safe and encouraging environment.
Is there a book that you would recommend to the BSL staff?
If you could have one superpower, what would it be 😊? I'd like to speak any language I want when I want! So far, I am still in the process of mastering a second one.
